ORDER

As per Government Order read above, Government have amended Rule 63, Part III, Kerala Service Rules by inserting note 10 below it, which says that in case where pay revision orders came into effect during the period of the last ten months of qualifying service which counts for average emoluments, pay in the pre-revised scale of pay shall be enhanced notionally by adding the percentage of Dearness Allowance merged to the basic pay as per the relevant Pay Revision Orders.

2. Representations have been received from various corners complaining that while calculating average emoluments for ten months in the case of those who have retired during the part of pre revised and revised pay, pension arrived is less than that of the pensioners who retired prior to date of effect of the pay revisions.

3. Government have examined the matter in detail and are pleased to order that in the case of employees who retire during the part of pre-revised and revised pay and have the eligibility of full pension and if the pension calculated at the time of retirement is less than 50% of the minimum of the revised scale of pay from which they retired, 50% of the minimum of the revised scale of pay will be ensured. For the retirees who are not eligible for full pension, the proportion of the full pension based on qualifying service will be ensured.

Necessary amendments in Part III, Kerala Service Rules to this effect will be issued separately.
